PRODUCERS NOTES

Thank you for coming to PALY Theatre's One Acts! The show you are about to see was done entirely by students and I couldn't be more proud of our hard work. One Acts is a special show because it gives students so many opportunities within the world of theatre. Many were able to try their hand at playwriting, directing, technical design roles, and acting. We are incredibly lucky to have these opportunities! Thank you to all the teachers and parent volunteers who assisted us in putting on the show. Most of all, thank you to the students, who put so much creativity and passion into their work. I can't believe this is my last show with Paly Theatre, but the journey has been incredible. I hope you enjoy the show!
